JULY 2023

MEET THE MEMBER: THE HAWTHORN TREE

JEAN BRUGGER FOUNDATION
<http://www.fundacionajbrugger.org/>

Hawthorn prides itself on great espresso and wonderful shops in the marketplace, but it's really not about the coffee or the boutique's... it's all about the community! Hawthorn is a place for families, co-workers and friends to come together in a real way, face-to-face, and connect. They hope that each and everyone will enjoy their visit and Hawthorn will become your new favorite spot!

"Our family has been part of the Carlinville community since the early 1900's. My grandfather ran a small pharmacy on the Square, just a few doors down from Hawthorn. Carlinville was always my favorite small town growing up! It is where my husband graduated from college (Blackburn College) and where my family still runs various businesses. We have watched this community change and grow throughout the years and decided we want to be part! We are committed to being a positive part of Carlinville growth and community."

The MAC ArtBus is a mobile art studio that allows our organization to bring art to 91 communities within a 40-mile radius of our bricks-and-mortar building that is in Staunton, IL. The ArtBus is stocked with equipment and materials for pottery, sewing, stained glass, drawing, painting, felting, jewelry, and tables which enables us to take art experiences to children and adults without opportunities for self-expression through art.

The Macoupin Art Collective offers a variety of art programs for all ages at their location; 115 E. Main Street in Staunton, Illinois, and offers community outreach art events throughout the year.

For more info, go to www.macart.org or follow them on both Facebook & Instagram.
